ICAART 2019
11th International Conference on Agents and Artificial Intelligence
http://www.icaart.org/

To whom it may concern,

We are happy to inform that the paper submitted by Zhixuan Zhou, Huankang Guan, Meghana Bhat and Justin Hsu to ICAART 2019 with number 160, entitled "Detecting Fake News with NLP: Challenges and Possible Directions", has been accepted as a Short Paper, to be presented February (19 - 21) at Prague, Czech Republic.

All papers accepted to ICAART 2019 were peer reviewed by at least two experts from the international program committee, in a double-blind review process. The paper will be published in the conference proceedings with up to 8 pages, and after being presented at ICAART 2019 it will be included in the SCITEPRESS Digital Library under a specific DOI to be specified after the proceedings are published, and submitted for indexation to Thomson Reuters Conference Proceedings Index, Engineering Index, DBLP, Scopus, Semantic Scholar and Google Scholar.

Best Regards,

Jaap van den Herik
(ICAART Conference Chair)
